

Empathy Map

Date	1 July 2026
Team ID	—
Project Name	Rising Waters – Flood Prediction System
Maximum Marks	4 Marks

The empathy map below captures the persona of a flood-prone-area resident from four perspectives — Says, Thinks, Does, and Feels — to keep the team's solution centred on real user needs.

Persona: Ramesh, 42 — Resident & Small Shop Owner in a River-Adjacent Ward

SAYS	THINKS
[object Object]	[object Object]

DOES	FEELS
[object Object]	[object Object]
